

United States Department of Agriculture

Apache-Sitgreaves National Forests Outreach Notice for Upcoming Permanent Employment Opportunities

The Apache-Sitgreaves National Forests is located in the State of Arizona and is seeking qualified applicants to fill multiple, permanent, full time positions. These positions offer a unique opportunity for career development, while providing support to a fast-paced, team oriented, high producing staff. The Vacancy announcements will be posted on the www.usajobs.gov website.

The purpose of this Outreach is to determine the potential applicant pool for the position described and to establish appropriate recruitment methods and areas of consideration (e.g. agency-wide, government-wide, DEMO, or non-competitive) for the vacancy announcement.

To express interest in any of the following positions, please respond in the Forest Service's Outreach Database or by emailing the point of contact listed. By responding to these outreach notices, you will receive notification once the vacancy announcement becomes available in usajobs. You can reach the Forest Service Outreach Database by clicking on the following link: <https://fsoutreach.gdcii.com>

If you have questions about the positions duties or duty station location, please contact the Point of Contact (POC) listed for that position.

If transfer of station benefits (TOS) are offered, the vacancy announcement, once posted, will specify the available benefits.
